We want to hear from you

The Community Industry Forum is all about connecting the broader community of Port Hedland. The PHIC CIF encourages open and constructive communication and informed discussion, as well as assist to resolve community concerns and provide quick responses to emerging issues.

Its purpose is to build trust and openness between industry, government and the broader community.

PHIC is dedicated to continuous improvement and we are looking for your feedback. Please use the QR code to access a very short survey or you can find the link to feedback on the CIF page on the PHIC website.
