Community Investment in the Pilbara

ASX:PLS

FY24 new community partnerships

- **MADALAH:** - Supporting two scholarships for Aboriginal and Torres Strait Islander secondary students from the Pilbara for three years (Years 10, 11, and 12) to boarding schools in Perth.
- **Women's Legal Service WA** -Socio-legal Wellbeing and Safety Program: A two-year initiative that facilitates outreach, both virtually and in-person, aiming to provide access to integrated socio-legal assistance (lawyers and social workers) to women in the Pilbara who are experiencing domestic and family violence.
- **Foodbank WA Nom! Schools Program:** A three-year comprehensive hands-on nutrition education and cooking program
- **Hedland Well Women's Centre:** Mental Health Support: A three-year project to ensure women in Hedland can access counselling and psychology appointments free of charge including a range of complementary allied telehealth appointments.
- **Telethon Kids Institute:** FIFO Families Research Project over three years to understand the impact of FIFO work arrangements on the mental health of workers and their families, and initiate a program designed to support their mental health and wellbeing
- **Shooting Stars:** A three-year program to strengthen the Shooting Stars program in Port Hedland and Pilbara region
- **Yandeyarra Community School:** A funding agreement with for three years which empowers them to identify the priority areas for the school

Community Grants Program
